Interactive Malaysia Statistical Business Register (i-MSBR)

i-MSBR is a platform that can help user to identify list of businesses and companies operating in Malaysia interactively. It encompasses Register of Companies (ROC), Register of Businesses (ROB) and Limited Liability Partnerships (LLP) that are registered with Companies Commission of Malaysia (CCM) as well as establishments that are registered with professional bodies.

Coverage

i-MSBR covers only **active establishments**. The statistics are updated twice a year for the current year. For previous year, it was generated by 31st December of each year and it is based on the establishments' mailing address.

Source

The list of establishments is updated based on **censuses and surveys conducted by DOSM** and administrative data sources. The main source of is from the Companies Commission of Malaysia (CCM). In addition, DOSM also collaborates and gathers information from over 50 other agencies such as the Employees Provident Fund (EPF), the Royal Malaysian Customs Department (RMCD), the Inland Revenue Board (IRB), local authorities and other professional bodies.

Classification

Each establishment is classified based on its main activities in accordance with the **Malaysia Standard Industrial Classification (MSIC) 2008 version 1.0**.

Periodic Updating

The number of establishments is **live data** and is updated on a **regular basis** through censuses and surveys conducted by DOSM as well as information from administrative sources.
